

## KAZALO IMENA

U kazalo nisu ušla imena prevoditelja, priređivača i urednika, osim u slučajevima kada se urednički ili priređivački rad tretira gotovo kao autorski. U kazalo također nisu ušla spominjanja autora u naslovima radova i u zaglavljima, književni likovi i povijesne osobe koje nisu neposredno utjecale na književnu kulturu. Kurzivom se navode brojevi onih stranica na kojima se ime spominje samo u fusnoti, a ako se na nekoj stranici ime spominje i u glavnom tekstu i u fusnoti, ta se stranica označava samo jednom, i to uspravnim pismom.
